

Dear Retailer,

I shop with you regularly, and I'm very interested in the new Earthbound Farm Frozen Organic Fruits and Vegetables — please consider carrying them for me and all my fellow shoppers who are looking for more organic foods.

Sincerely,

MY NAME

Earthbound Farm Organic Frozen Fruits and Vegetables

Earthbound Farm has been growing organic produce for more than 25 years. Now, we've invested everything we know about fresh organic produce to create an entire line of premium frozen fruits and vegetables.

- Grade A product from the nation's leading organic produce company.
- Gusseted, stand-up, resealable packaging is eye-catching and truly functional.
- All items produced within Earthbound Farm's rigorous organic integrity program.
